

HELP

Market Rate

By clicking on the "Market Price" button on the home page, you can get all the price of all commodities of APMCs of the country and state.

Market Rate

Slide

To get market price information select State, District, APMC and Crop and by clicking on the date for which you want to get the price, minimum, maximum and average prices will be available in the chart.

The screenshot shows the 'Market Rate' app interface. Red arrows point to the following elements:

- State:** Gujarat
- District:** Rajkot
- APMC:** Rajkot
- Crop:** Groundnut
- Date:** 08-08-2024

The app displays 'Market Yard wise Rates for selected Commodity' for Groundnut. A message states: 'if market rate is available From Market Yard than Rate is visible for that date.' The date selected is 08-08-2024.

The chart shows the following prices per Quintal:

Price Type	Price / Quintal
Minimum Price / Quintal	4900
Maximum Price / Quintal	5560
Model Price / Quintal	5350

Legend:

- Minimum Price / Quintal (Blue)
- Maximum Price / Quintal (Red)
- Model Price / Quintal (Yellow)

Table below the chart:

Market Yard	Minimum Price / Quintal	Maximum Price / Quintal

Slide

Market price shows trending just like share market, Select two dates and graph will be generated according to period, this way you can get information of previous year also.

Date

01-06-2024
